Myron has finally found his people

Foreword

We here at Frederick College are surrounded by the sea — a sea without beginning, without end, a sea nebulous and unfathomable. It is gray and dark, and there is uncertainty and doubt brooding within. But the sea calms, and night passes, and the sun rises and with it a new day, a new life.

For the freshman, it is a time for eagerness and anticipation. A freshman is like he who has just awakened from a long sleep and is anxious to flex his muscles and to be on the march.

For the sophomore, it is a time of reflection and quiet meditation. It is a lull in the college student's storm of affairs. It is the high noon of his college days — and the question arises: "Where am I going?"

For the junior, it is a busy time — decisions to be made — deadlines to be met — endless worry — study, study, study!

For the senior, his sun is setting, and he is almost ready to emerge into the world — a fresh, new, vigorous force. He is full of longing and hope. He is confident of what the future will hold in store for him, and, for the most part, he knows his place in that future.

The DRIFTWOOD Staff knows that a moment once gone by can never be recaptured, but we have all endeavored to stay time, by word and picture, by caption and quote, and to bind within this volume the hopes and fears, the joys and heartbreaks of the daily life that we at Frederick College have experienced and endured and profited from.

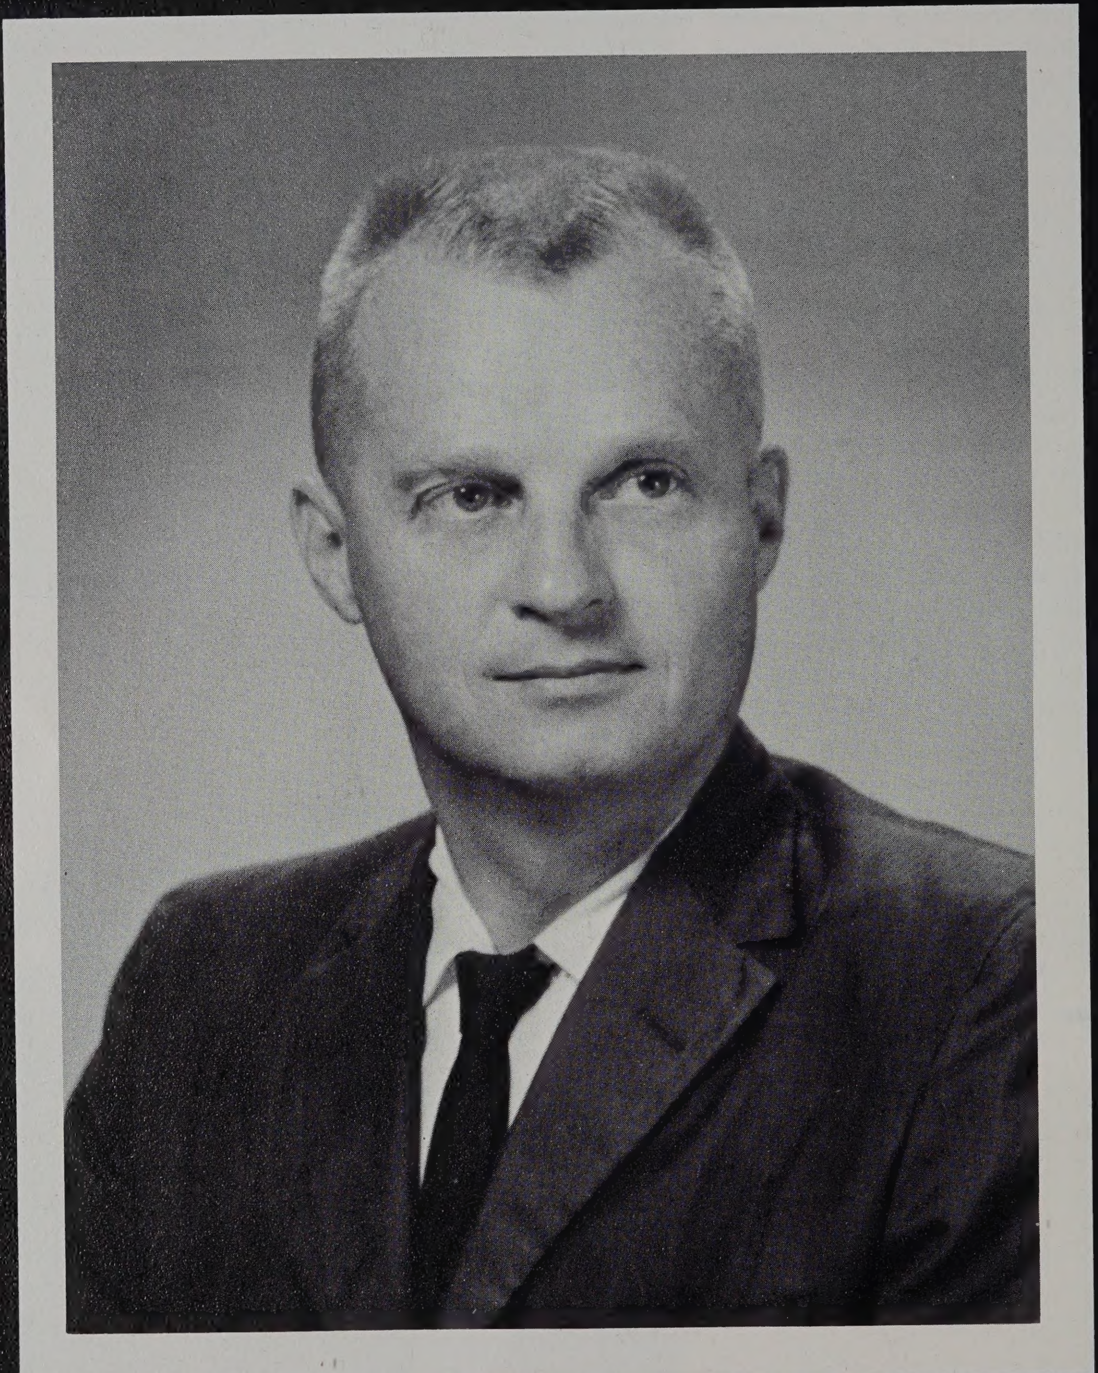
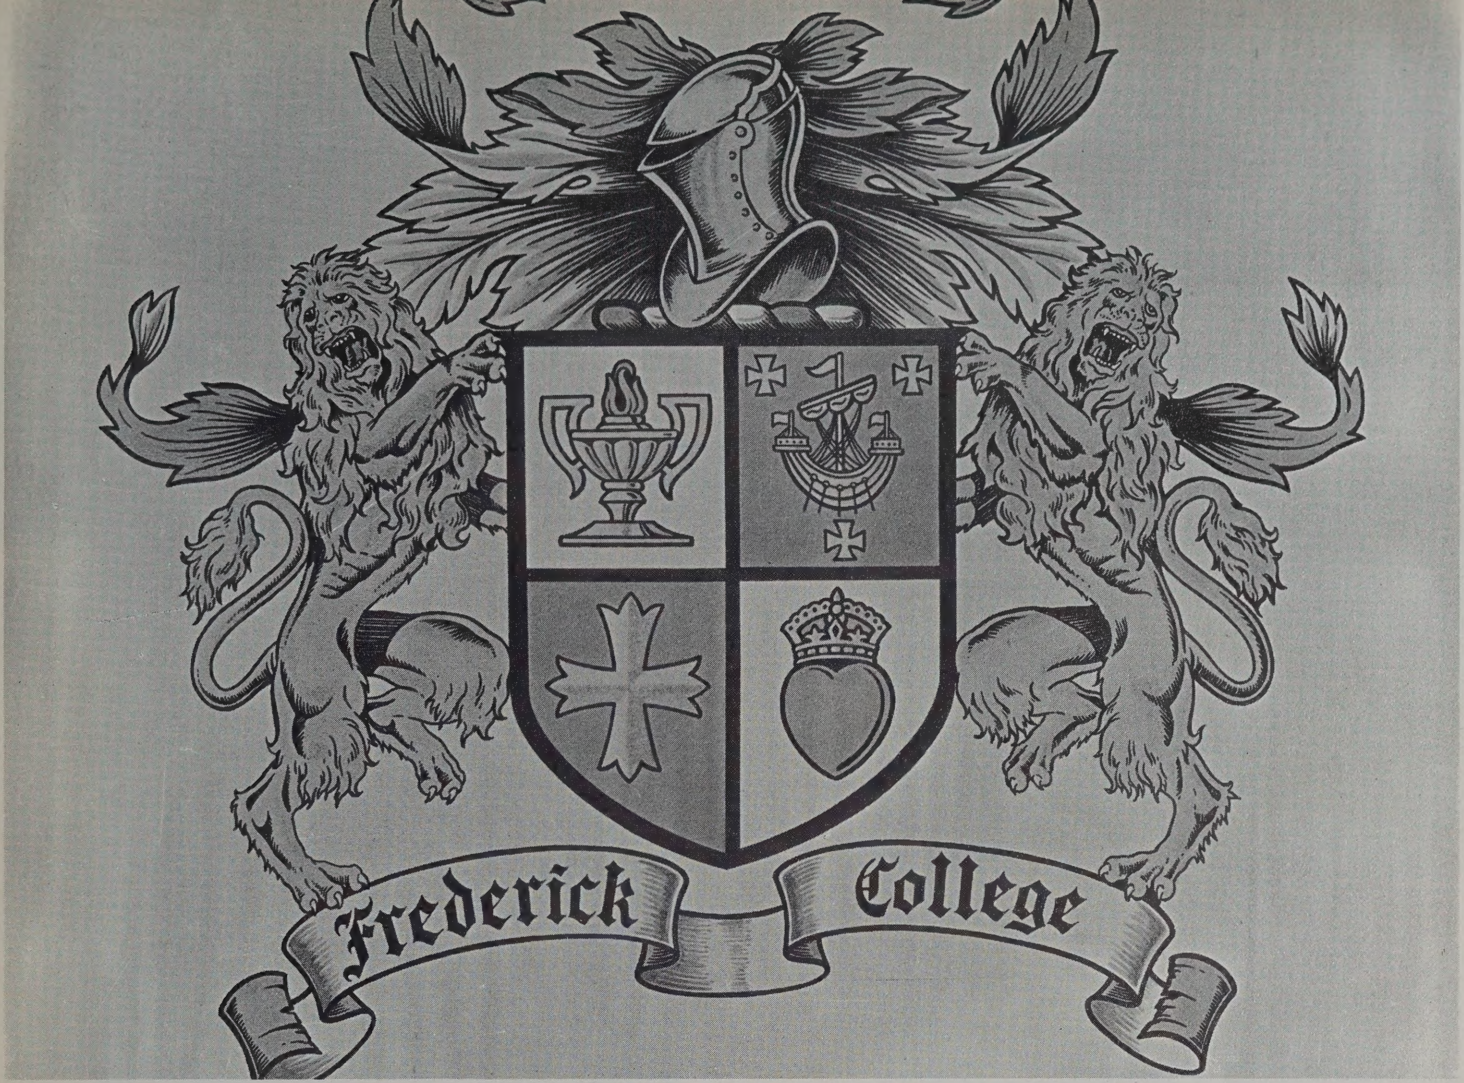
A Man Dedicated



To Frederick



The Senior Class and the DRIFTWOOD Staff proudly dedicate the 1967 DRIFTWOOD to Dr. Alan Mandell. This man has given freely of himself and his time to further the goals of Frederick College. He is an expert in his own field, and his knowledge and experience have added greatly to his own department. He has always been ready to go beyond that which is expected of him; for example, this year he took on the task of being the head of the photography lab. In addition to this, Dr. Mandell served as the advisor for the Science Fraternity, a job for which he was so ably suited. We know him as a person whose principles and integrity have served both him and each of us as a guide in our education and daily life.

Dr. Mandell relaxes at faculty party.

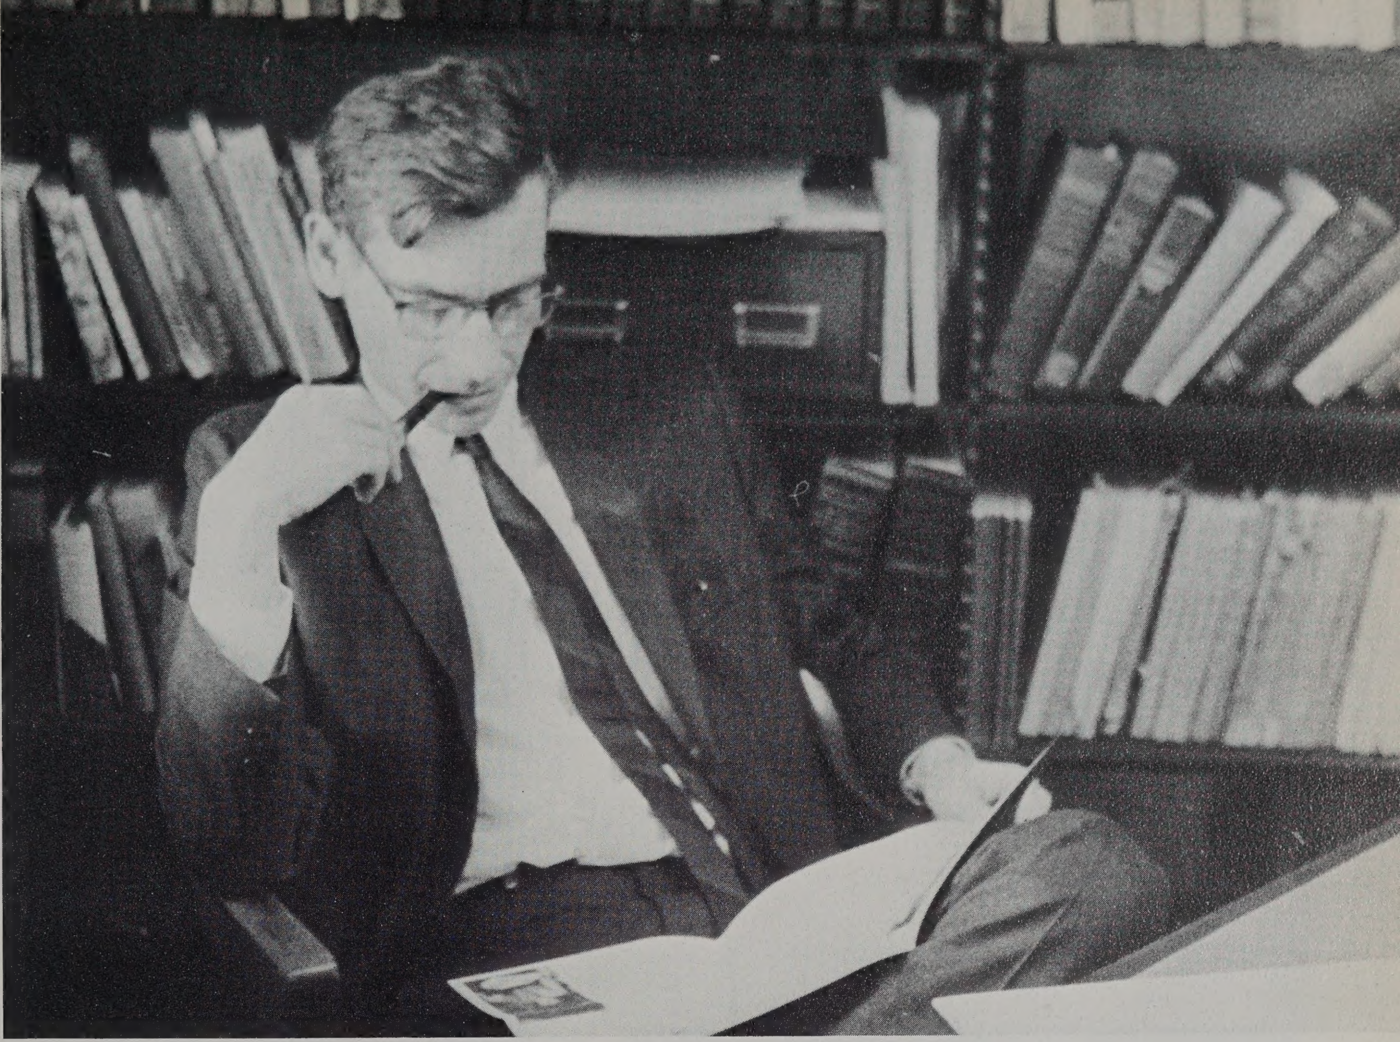
FREDERICK COLLEGE
DEDICATED TO
WORTHY YOUNG MEN - WOMEN
STOP

Dr. Ernest R. Wood
President of the College
Ohio University, B.A.
Ohio University, B.S.
Clark University, M.A.
University of Chicago, Ph.D.

Frederick College was indeed fortunate to have a man of Ernest R. Wood's character and dedication as President. His leadership has indeed been a source of guidance and inspiration to the entire faculty and student body this year.

Dr. Wood's educational background is quite impressive. He was graduated from Ohio University with honors. At Clark University, Dr. Wood received his Masters degree and later earned a Ph.D. from the University of Chicago. He is a leader in American education and has served with distinction in all phases,—teaching in the elementary, secondary, and college levels. He has done noted research in the fields of evaluation and educational measurement, and authored textbooks for educational use. He has served in the Ohio State Department of Education and with the U. S. Constitution Sesquicentennial Commission in Washington, D. C. His administrative experience includes school superintendent, guidance director, college dean and college president.

The President
Man of Action



Ellerd Miner Hulbert, Dean of the College

Dean of the College

On May 17, President Wood announced the appointment of Mr. Ellerd Miner Hulbert as the Academic Dean of Frederick College.

Mr. Hulbert graduated from Trinity College in Hartford, Connecticut, and has served as a military intelligence officer with the United States Air Force in Japan. He received his Masters of Art degree from Yale University in 1957, and he remained at Yale for one year's advanced study. His major field of study has been history, with a special emphasis on the history and language of Russia. Dean Hulbert will have received his Doctor of Philosophy from the University of Chicago.

Mr. Hulbert has served for four years as the Acting Dean of Park College in Missouri. He received a leave of absence from this institution so that he might complete his doctoral work. While at Park College, he served as the director of a curriculum development program which initiated courses that were taught by professors of the arts, humanities, and the natural and social sciences.

Frederick College is indeed fortunate in having a man of Dean Hulbert's stature in its administrative offices.

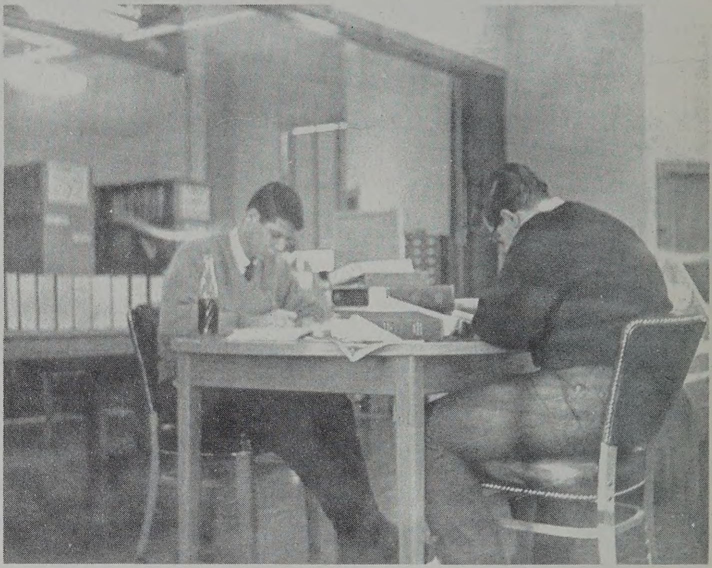
Academics

McLemore Library

SUBJECT CATALOG



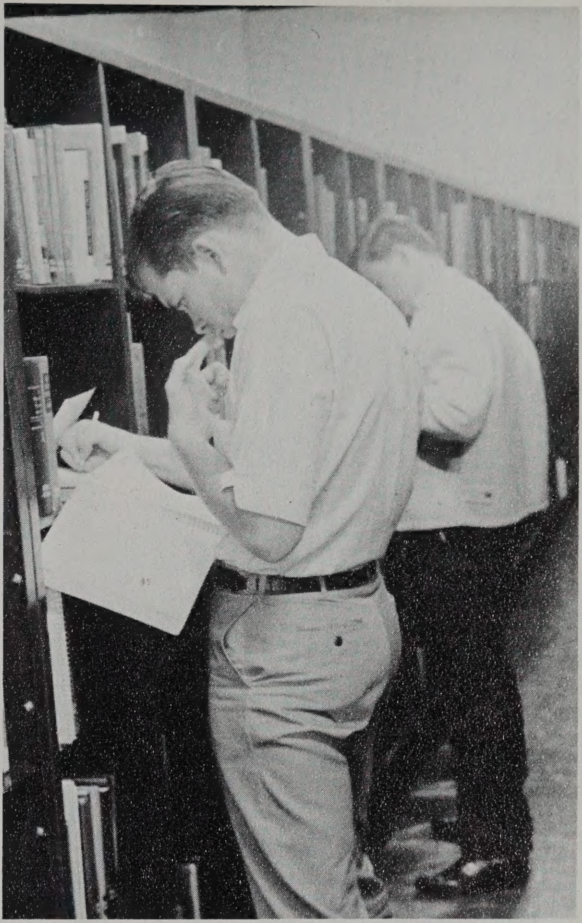
Students find the library a relaxing place in which to study.

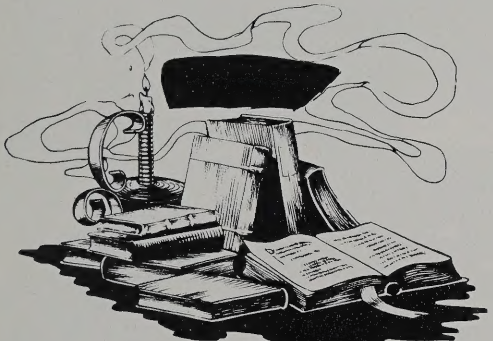
McLemore Library's staff is proud to have added two thousand volumes to their shelves which brings the total of bound volumes to approximately twenty-eight thousand and five hundred. In addition to these volumes, the library subscribes to ten American published newspapers and one foreign one. Two hundred and thirty periodicals are also available.

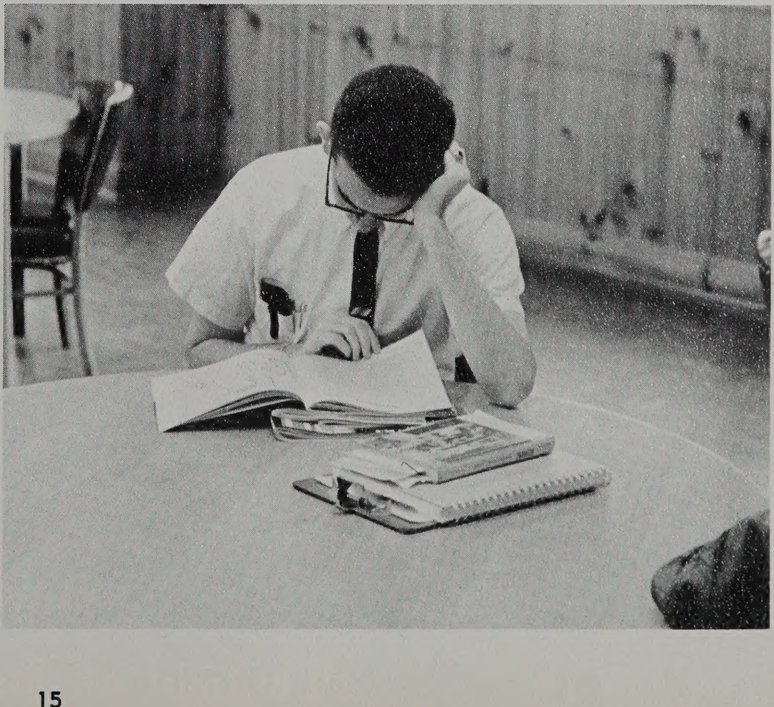
As soon as an appropriate reader can be purchased, Micro-cards will enable the library to greatly enlarge the selection of periodicals.

The library staff hopes to be able to prepare two thousand new volumes to the shelves within the spring semester.

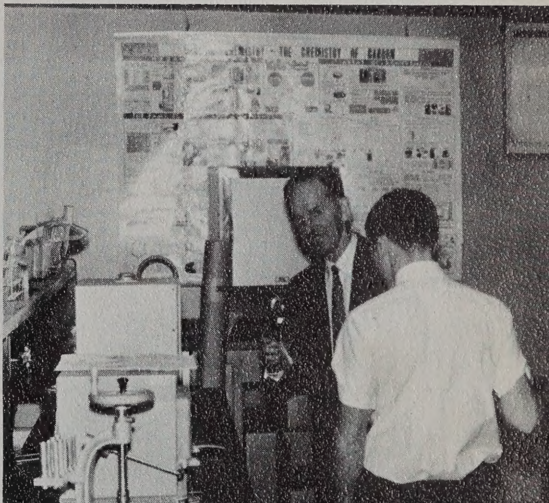
Mrs. Sims helps give the library a pleasant atmosphere.



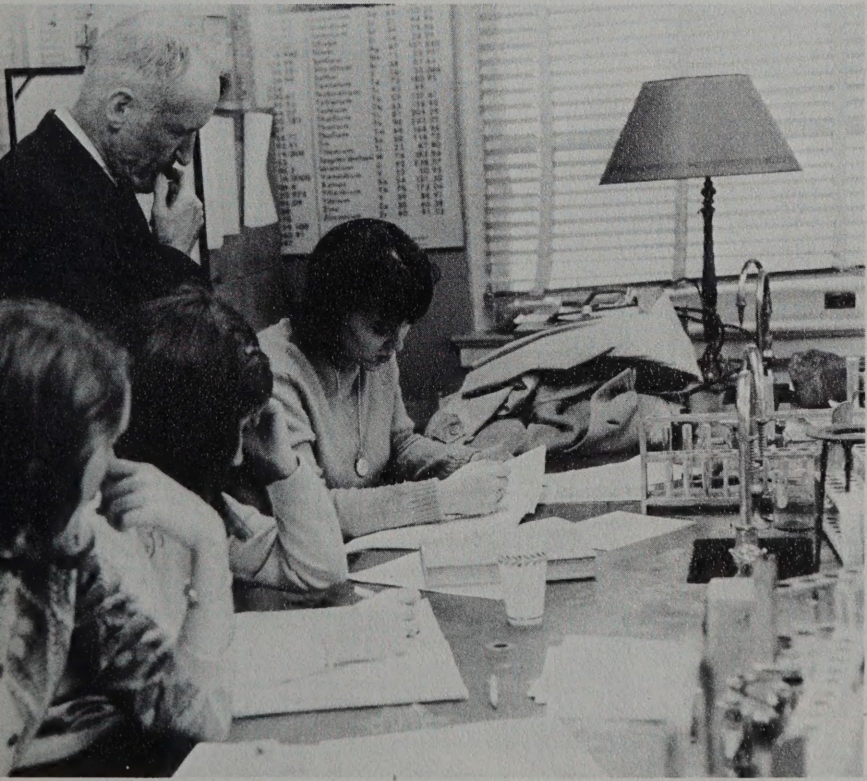




Twilight of Knowledge



Prof. Rola and student working in the chemistry lab.



Mr. Crist aids students in their studies of geological maps.

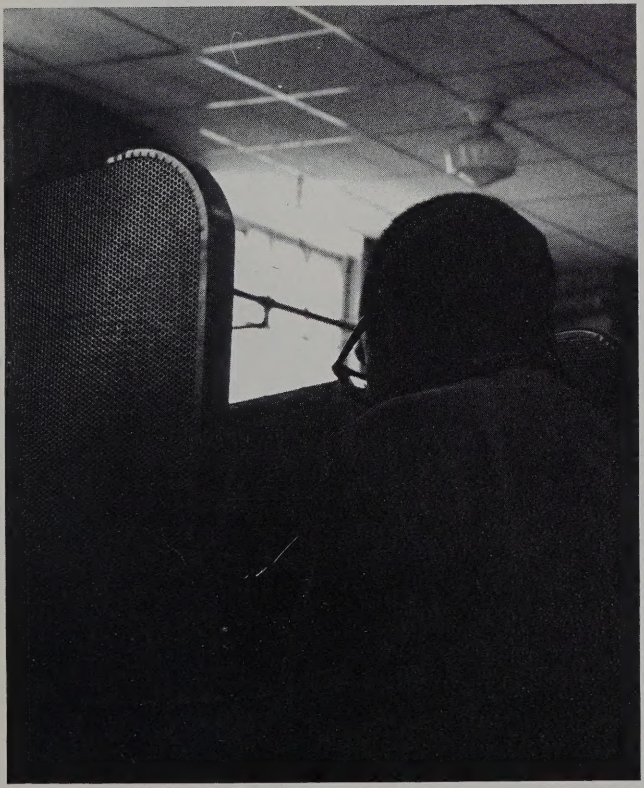
Prof. Crist explains to his students the geological formations of the Tidewater area.

Mary Jo Chamberlin tries to get her lab experiment to work right.

Pat Elkey takes the daily count of fruit flies for genetics lab.

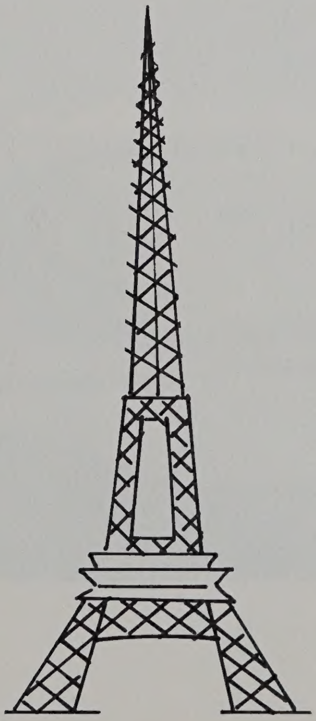
Art

Contemplation



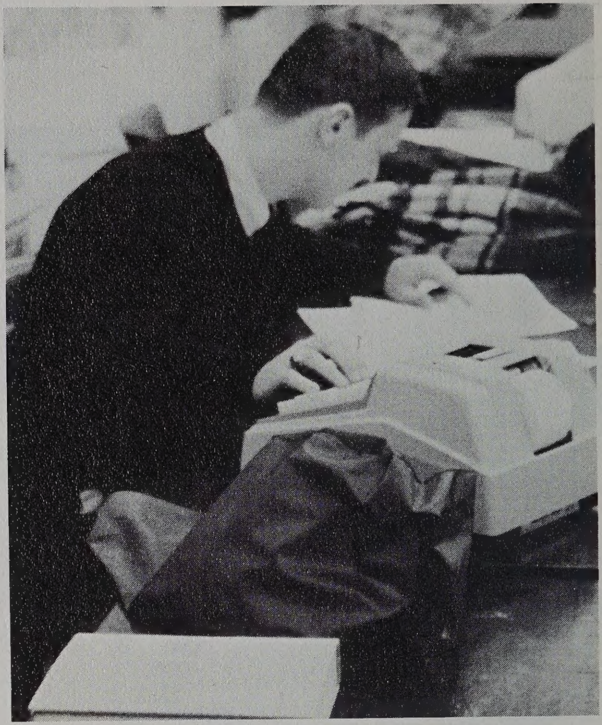
Student uses lab to further knowledge of foreign languages.

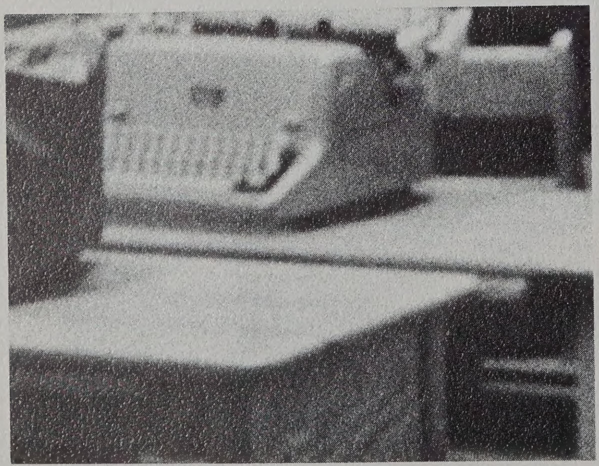
Language Labs



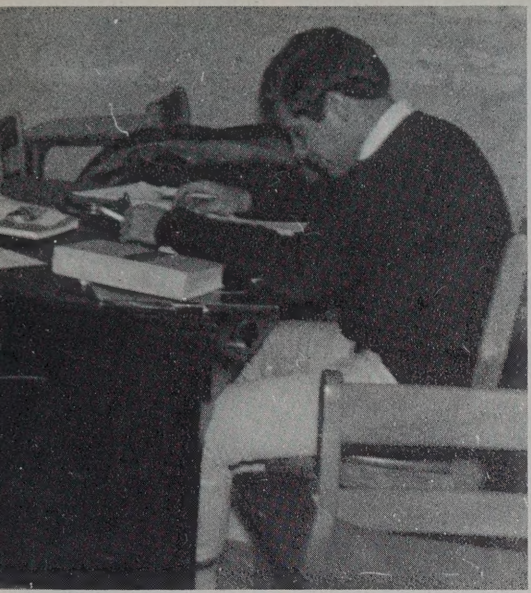
Business

Future business administrators learn office skills.

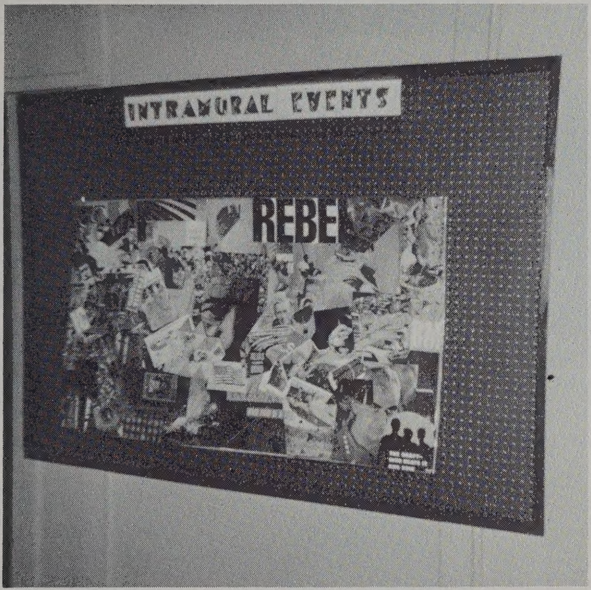




Can I count my dog as a dependent on the income tax return?



Mr. Tipps, Director of Bands, discusses plans for the Winter Concert.



INTRAMURAL EVENTS
REBEL

Andy Nelson learns proper pronunciation in her Spanish Lab.

THE LITERATURE OF ENGLAND

Studying for exams?

Faculty

Say not the struggle naught availeth,
The labor and the wounds are vain,
The enemy faints not, nor faileth,
And as things have been they remain.

If hopes were dupes, fears may be liars;
It may be, in yon smoke concealed,
Your comrades chase e'en now the fliers,
And, but for you possess the field.

For while the tired waves, vainly breaking,
Seem here no painful inch to gain,
Far back, through creeks and inlets making,
Comes silent, flooding in, the main.

And not by eastern windows only,
When daylight comes, comes in the light,
In front, the sun climbs slow, how slowly,
But westward, look, the land is bright.

Arthur Hugh Clough

All I need now is a map to Shep's.

Campus Activities

"Anyone got a match?"

Rally round the flag, boys!

"On, on, Frederick . . ."

Frederick's Fourth

It doesn't seem possible four years could pass so quickly

Ninety-two members of the Senior Class of 1966 received degrees in the graduation ceremony on May 30. This was the fourth annual commencement at Frederick College. The exercises were held in the evening in the Arena.

The Honorable Mills E. Godwin, Governor of Virginia, was the principle sepaker at graduation. Chairman of the Board of Trustees of Frederick College, Justice Lawrence W. I'Anson, introduced Governor Godwin to the audience. After Governor Godwin's address, six candidates were graduated with honors. Following, Alan Caplan was commissioned into the Navy, and Pete Schryver and Frank Izenour were commissioned into the Marines.

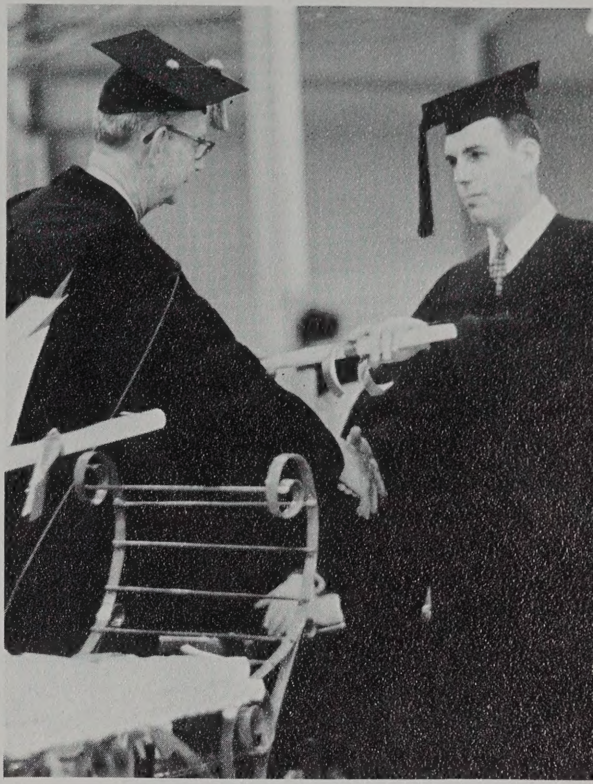
Baccalaureate services were held on Sunday, May 29, in Tyler Auditorium with Dr. James P. Martin of the Union Theological Seminary delivering the address. The invocation was pronounced by the Reverend W. Martin, the Episcopal Chaplain of Old Dominion College, and the benediction by the Reverend William J. Ridenhour, Pastor of St. Andrew's Lutheran Church, Chesapeake.

Activities included Senior Day on May 27, which was held off campus and included a day of picnicking and swimming. On Monday morning, the faculty sponsored a breakfast for the graduating class, where the faculty served the tables for the Seniors and guests.

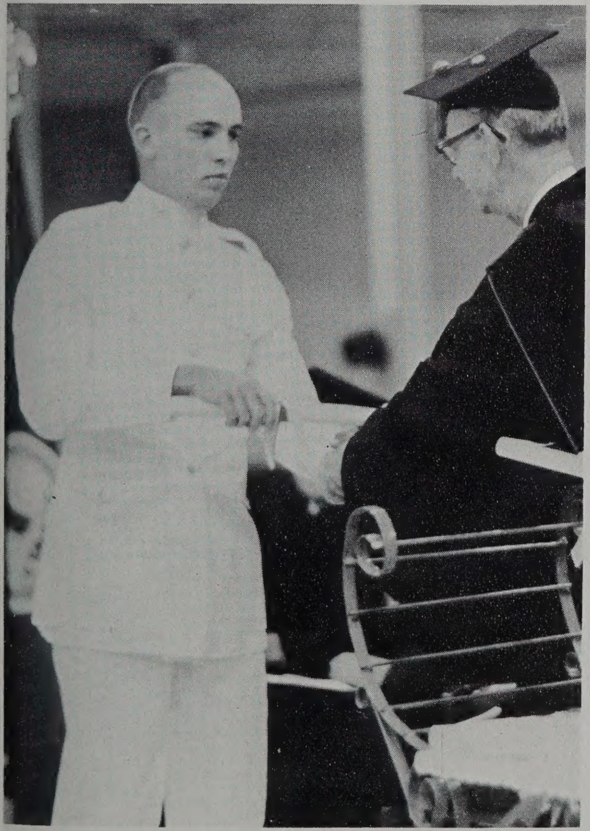
The principal speaker, the Honorable Mills E. Godwin, addresses the audience.

Annual Graduation

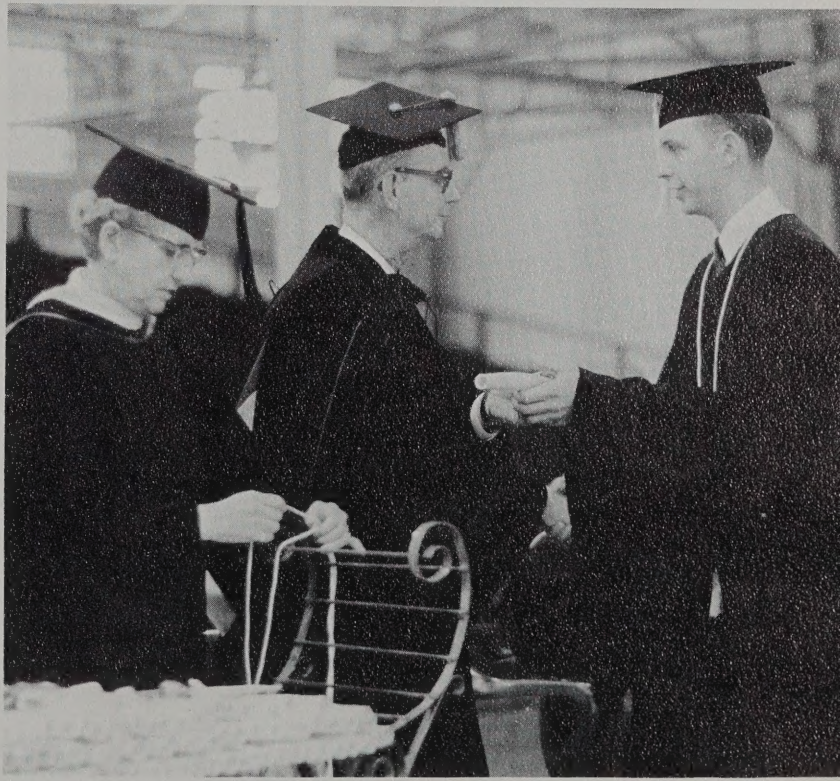
Barbara Overman receives a Summa Cum Lauda tassel from Justice Lawrence I'Anson.



Justice I'Anson confers a B.A. degree to John Keppler



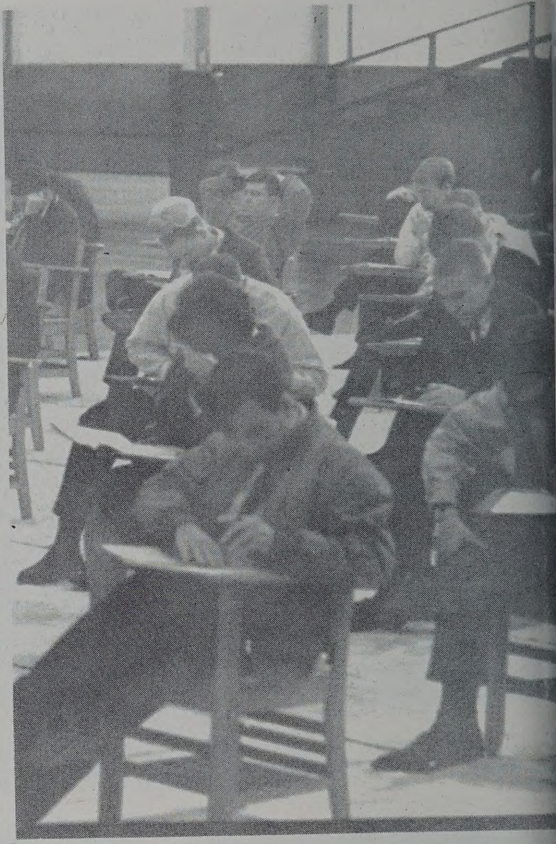
Frank Izenour proudly receives his degree.



Justice I'Anson confers a Cum Laude degree to Henry Green as Dean Gibson assists.

Seniors Breeze Graduate Records

Some day Phil just might graduate.



Some sweat it and some don't.

Mass frustration!

Don Miner gives Gordon McCourt the answer
11-C.

Miss Sonny Bazemore

Homecoming Queen

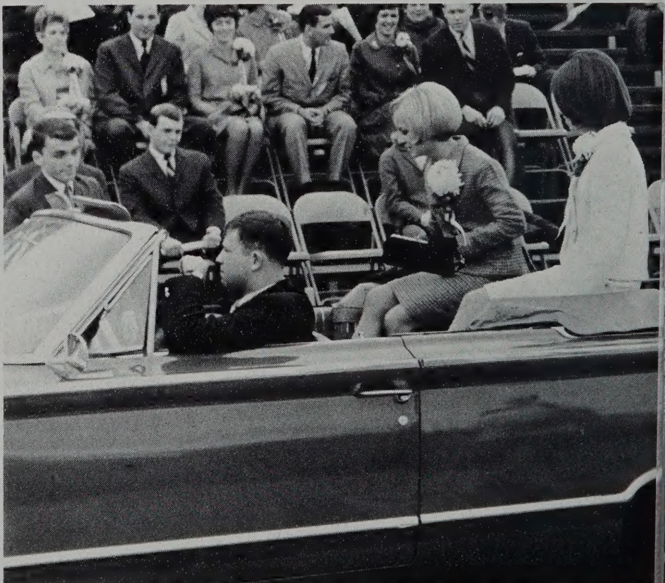
Candidates await SGA President Greene McCollum to read winners. They are Ann Johnson with Butch Pohle, Kathy Rairdon with Jack Keppler, Sonny Bazemore with Randy Brooks, Diana Kreger with Kenny Rugg, Pat Nelson with Leon Potter, and Dee Wilson with Nick Matthews.

Other candidates Elsie Dawson with Steve Boric
and Barbara Magelof

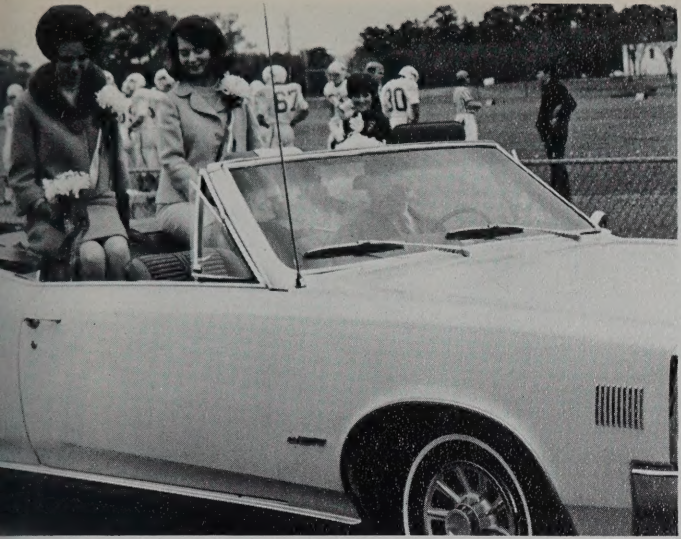
Homecoming Court . . .

Miss Sandra Bazemore, a Senior, is crowned Homecoming Queen. Her Maids of Honor are Miss Ann Johnson, a junior, and Miss Barbara Magelof, a freshman.

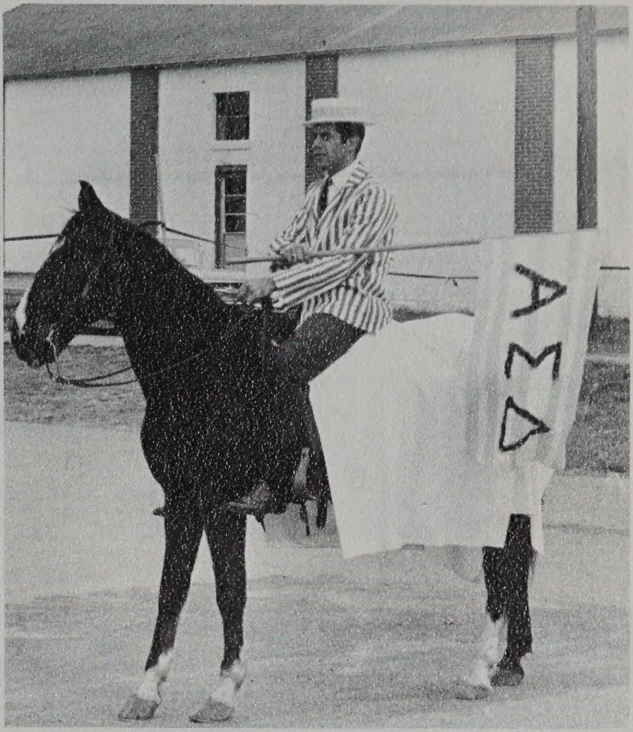
Queen Sonny leads her court from the field to preside over half-time ceremonies.



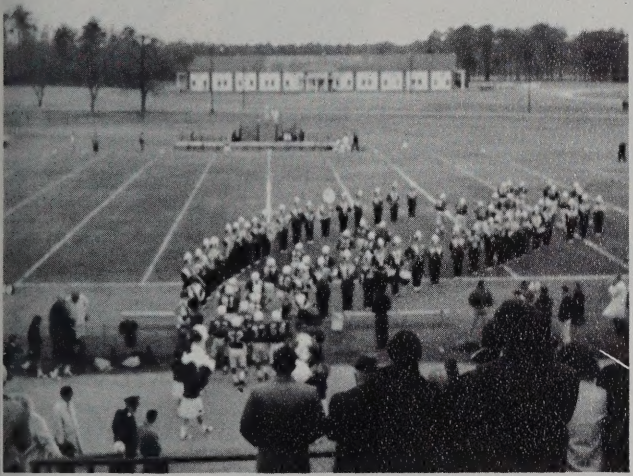
Miss Tana Lane, a freshman, leaves her car with the help of
escort, Richard Pusey.



Pat Nelson and Kathy Rairdon, two of the four Senior representatives, arrive at the game.



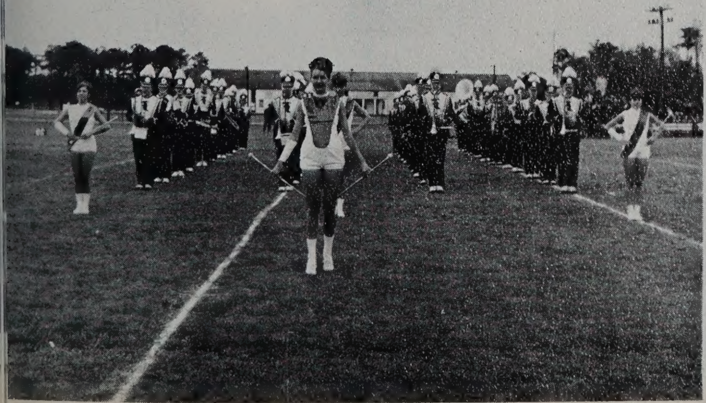
Richard Luurtsema, a pledge of Alpha Sigma Delta, shows that they're behind the team.



The Lions are greeted by the band and cheerleaders.

. . . And

Half-Time



Frederick College Band of the South performs.

Queen Sonny and her escort preside over the half-time show by the band.

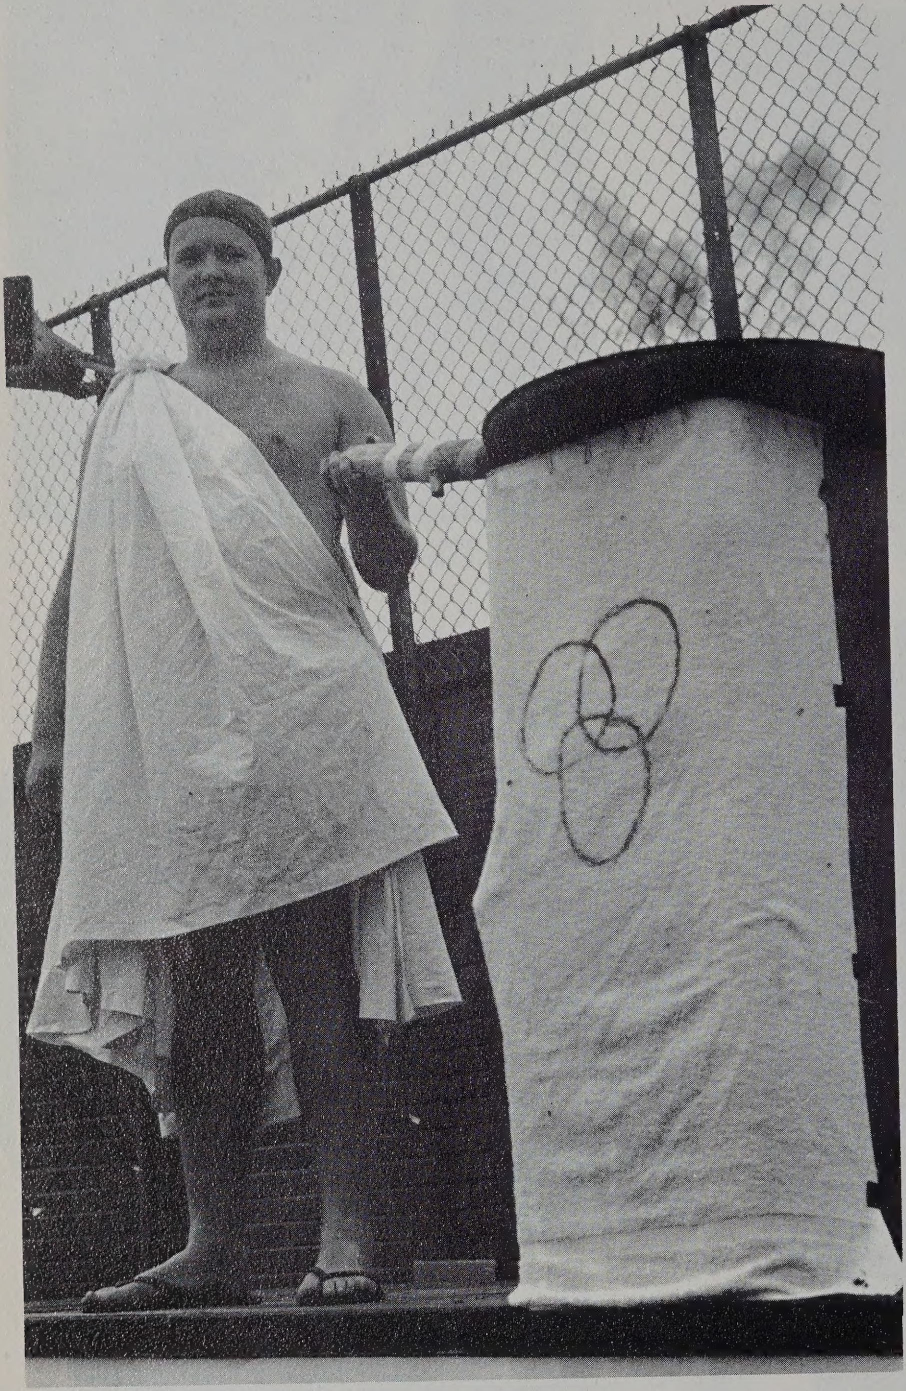
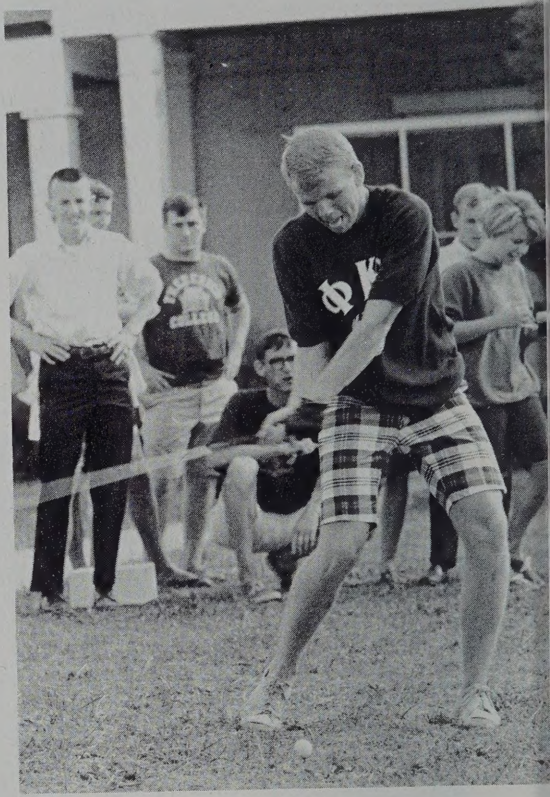
First Annual



Robert Ferguson, President of IFC, lights the ceremonial torch to begin Greek Week.



PKB tries again.

What pretty legs Teddy!

The First Annual Greek Week was held last May. It was initiated to create school spirit and healthy competition among the Greeks on the Frederick College campus.

The different events were held during the week. For each event points were given. Then the winners were determined by the fraternity and sorority having the greatest amount of points.

Tau Sigma Chi Fraternity and Lambda Tau Omega Sorority were the winners. Marion Grigg of Alpha Sigma Delta and Diane Kreger of Lambda Tau were chosen Greek god and goddess.

Greek Week

"Hey, Coach — this ain't hard boiled!"

"Sorry 'bout that, ref!!"

Baby G works out.

Watch your foot, Buzzard.

Donnie practices for future "running".

Alpha Phi Omega Sweetheart, Barbara Gore, takes a swing.

John Schaffer works off frustration.

Jerry Sviatko strikes the initial blow.

Car

The boys don't look too convinced!

The Driver Education Car Rodeo was a class project sponsored by John Temple, a junior. It was held on January 14, 1966, behind the arena. A series of events, including weaving foreward and backward, front and rear bumper placement, guiding the right tire between cups, and parallel parking, were set up and judged by two Virginia State Troopers.

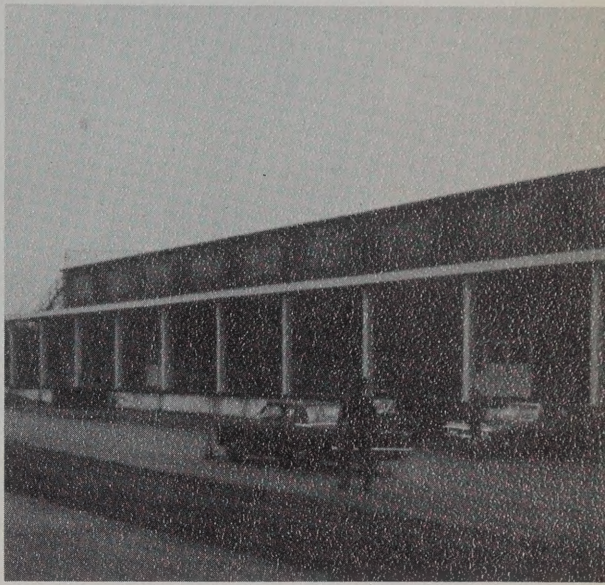
Each sorority, fraternity, and dormitory was invited to enter a contestant. The winners were Doug Edwards from Duckworth Hall and Judy Anderson of Gamma Zeta. Out of a possible 35 points, Doug scored 29 and Judy 22. Second place winners were Greene McCollum with 28 and Barbara Bass with 19.

Each contestant used the same automobile, the new Driver Education car, and their efforts were made more difficult by a steady drizzle.

It's harder than it looks!

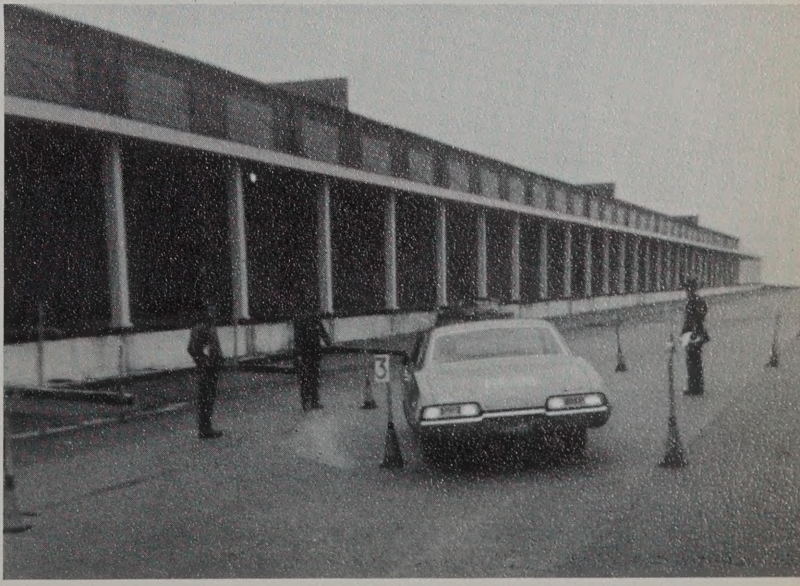
Rodeo

Well, you know how it is!



Trooper Robertson tries his luck.

What are the chances . . . ?

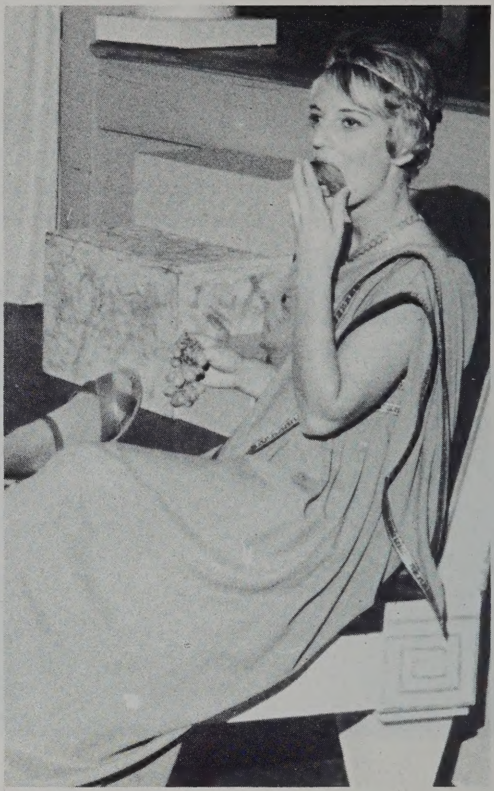


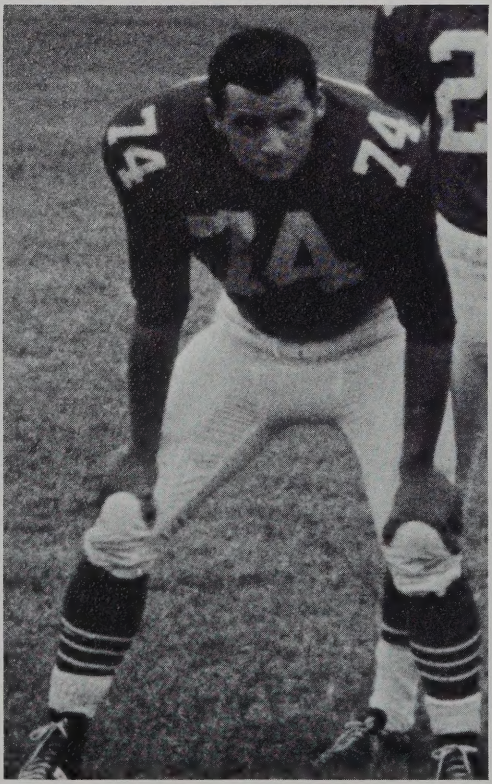
Boy, that was a close one!

S.G.A. Student of

November

CHIPS HOLSINGER received the Student of the Month Award for her contribution as the female lead in Amphitrgon 38. She did an outstanding job. Chips is a member of the Frederick Players and has worked as an assistant stage manager. She has served as the vice-president of Big Sisters, as a hall proctor, and as the president of Godwin Hall.





December

NED GARBER was co-captain of the 1966 Lions football team. He kept the team united in spirit and kept alive a burning desire to win. Frederick faced overwhelming competition this year and many of our victories were due in some part to the actions of Ned. He is a Biology major with a Psychology minor, and a member of Tau Sigma Chi Fraternity

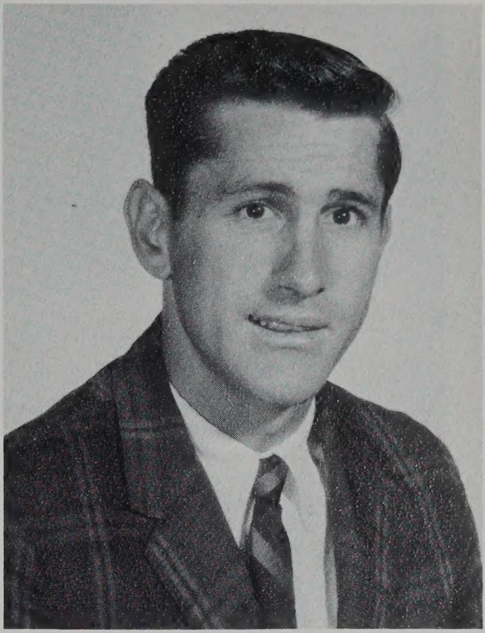
the Month Award

January

For the last two years, GEORGE PIERCE has headed the committee to decorate for the Christmas Dance. He has achieved spectacular effects with his brilliant usage of color and lighting effects. While at Frederick, George has been a member of the Frederick Players and is presently serving as president. He is a member of Alpha Sigma Delta, and has worked with the SGA in their activities in the past four years.

George has been a member of the college chorus, band, and has worked with the Frederick Players since his freshman year. He has appeared in several of their productions, and played the part of Destry in "Destry Rides Again". He directed several productions of the Players, including "The Public Eye", "The Boor", "Blackouts", and appeared in several presentations in community theaters.

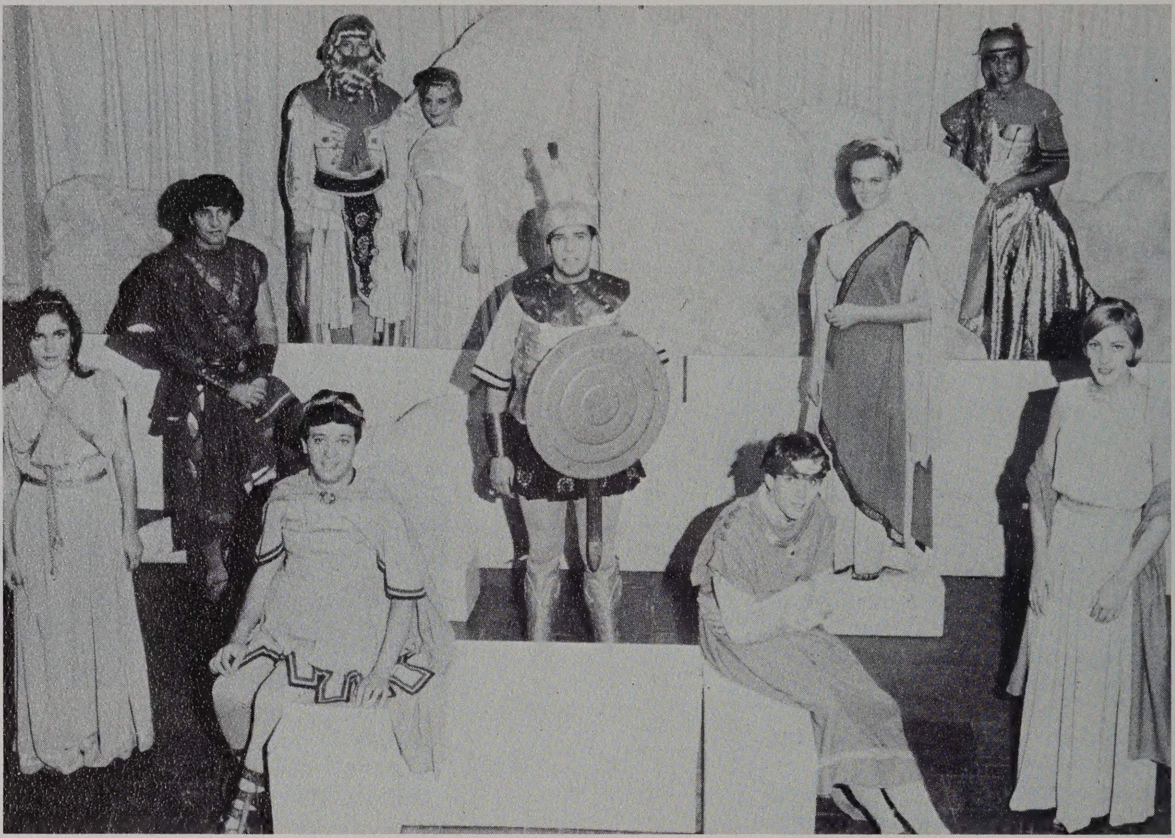
George is majoring in English and carries a minor in Speech and Dramatics.



February

It is rare for any student to make all A's. It is particularly difficult for a freshman to do this. For this reason, the SGA Student of the Month Award was given to Judy Sims and Craig Smith. Both are freshmen and earned a 4.00 quality point average at the end of one semester in college. This speaks well for their maturity and ability to adjust.

Amphitryon 38



First Row: Ann Mastantuono, Myran Segal, David Little, Pat Taylor. Second Row: Rudy Schuster, Ted Bonk, Gina Pittman. Third Row: Chips Holsinger, Eddie Patterson.

Chips Holsinger and Rudy Schuster play the leading roles.

"Uh, Rudy, um, they're plastic."

Ann Mastatuono and Pat Taylor play serving girls.

Between them they've got 87 teeth.

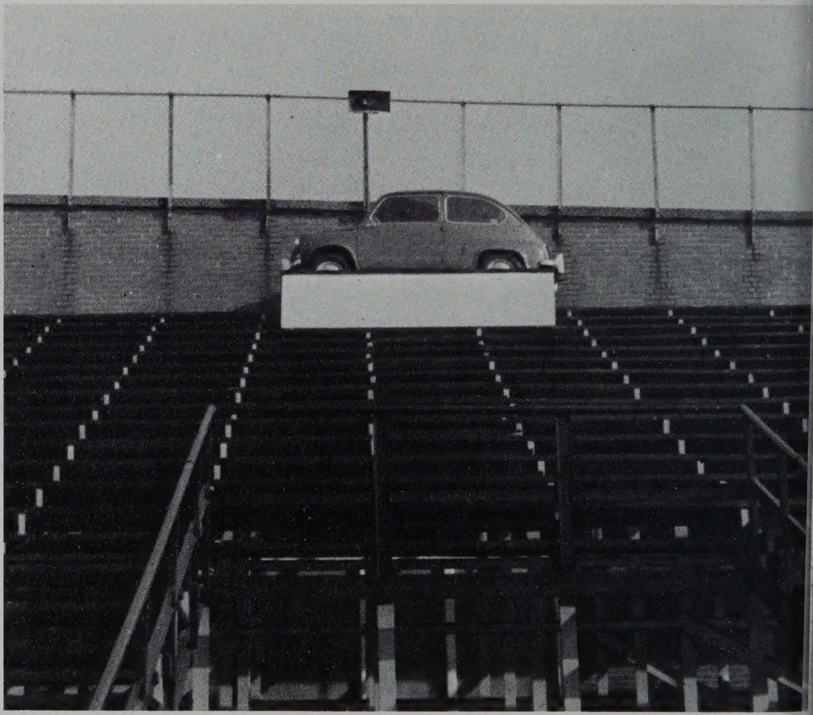
Some Fun . . .

Big competition at Freddy's

With the opening of the only place around th
serves decent food, yo-yos became popular agai
The entire campus consisted of students with the
arms outstretched and two pieces of wood and
piece of string dangling from their finger. Wi
the discovery that a few of the exceptionally c
ordinated students could actually perform trick stun
with their yo-yos, it was decided by Mr. Stauffer
hold a yo-yo competition with a prize of $5.00 to
given to the male and female winners. The big nig
arrived and the contest began with Gail Morton ar
Danny Hand, the judges, giving an exhibition of th
tricks to be performed. Representing the male popu
lation were Roger Christopher of Blanford Hall, Nic
Matthews, and Jimmy Hodges, and a couple of othe
people whose names we cannot think of at th
moment. The females were represented by Fra
Thorton and Sonny Bazemore. After a tough game c
yo-yoing, Roger Christopher and Sonny Bazemor
were announced as the winners. Sonny, the Homecom
ing Queen, proved that her only talent does not lie i
just being beautiful. The winners were then told tha
they would represent the college with their appearanc
on "Compass", a WAVY-TV program. On the progra
they showed the Tidewater area that not all th
college students were out demonstrating against th
war in Viet-Nam. They were in school paying tuitio
to learn how to yo-yo, so that when they marry an
have children, they will be able to teach their chi
dren the basic fundamentals in life, along with jack
hop scotch, and gin.

Some Problems . . .

It was a bright and sunny morning, and Coach Parker awoke to find that the football team had taken his car and placed it upon the bleachers of Lawrence Stadium. His hair has returned from the shocked white (he said it was Ash Blond) to the normal brown. The entire school was in an uproar. The students were extremely pleased. Coach Parker started psychotherapy. And Dean Madigan parked his car in his garage. Although it was in fun, Coach Parker began to think the worst. Little things popped into his mind, such as does the car insurance cover falling off bleachers or being dropped. Everyone gathered around as the team started to the top to bring down the car. They waited with anxious faces as someone would stumble. Coach Parker was very brave. He only fainted twice. The trick must have given the team the spirit they needed, for they defeated the Hampden-Sydney Tigers in the Homecoming Game.



Car? What car?

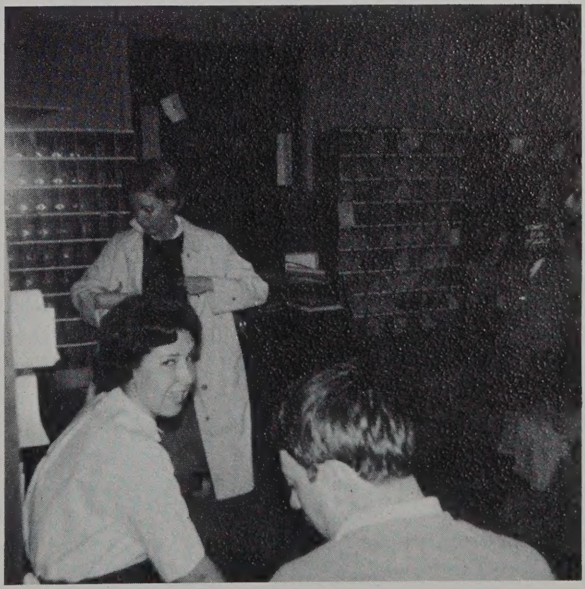
Some Relaxation . . .

Vince trys his hand in the pool room.

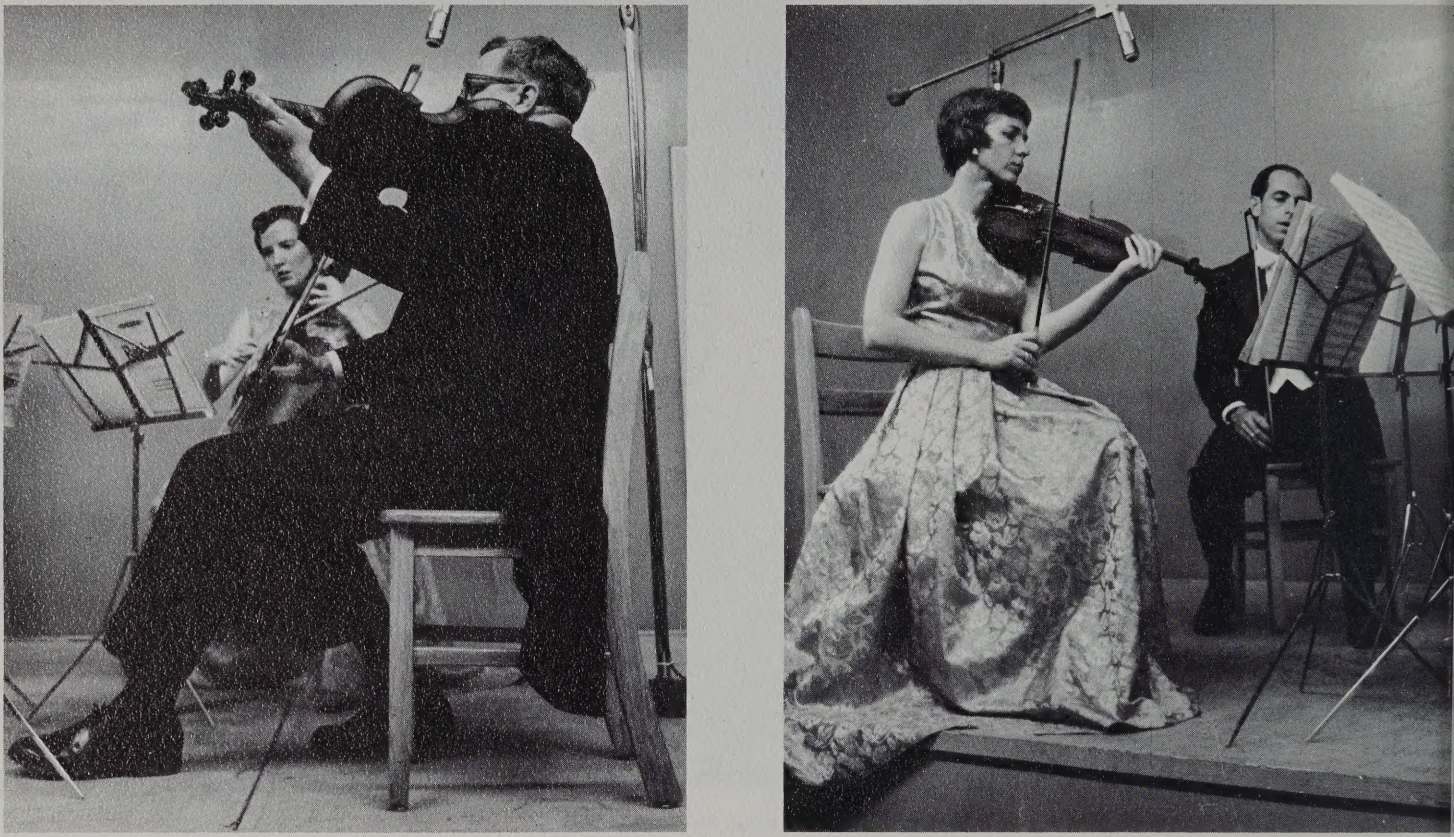
And you think it's bad outside the mail room?

Some Chaos

Nancy hard at work?



Frederick College Concert Series



Feldman String Quartet

Theodore Ullmann, one of the finest artists on the concert stage today, presented a piano concert on October 19. Mr. Ullmann has also presented concerts in many foreign countries while taking part in the cultural exchange program of the Music Foundation Artists Bureau. The pianist holds the B.S., M.A., and Ph.D. degrees, having attended such institutions as the Juillard School of Music, Conservatorie de Paris, the Sorbonne, Columbia University, and New York University.

On November 22, the Jazz Ensemble from the Shenandoah Conservatory of Music presented a concert. There was a varied program of music drawn from such musicians as Stan Kenton, Count Basie, Dave Brubeck as well as other compositions also in the jazz idiom. The Jazz Ensemble was on a tour throughout Virginia which they continued on after their stay at F. C. The music was well played and the audience well entertained.

Earle Spicer, a noted ballad singer, presented a very well rounded and entertaining concert on February 16. His humor and charm captivated the audience while his music and adlibing amused and fascinated us all. His score and theme, however, which was the highlight of the evening came from four areas: Traditional English Ballads, Shakespeare, Gilbert and Sullivan, and Early American Folksongs and was well appreciated.

The Feldman String Quartet returned again this year to give another excellent concert. The warmth and enthusiasm of the audience of last year was matched and excelled by the listeners of this year. The Quartet presented a varied program of classical and semi-classical arangements which appealed to us all and in all probability, we can look forward to the Quartet in '67.

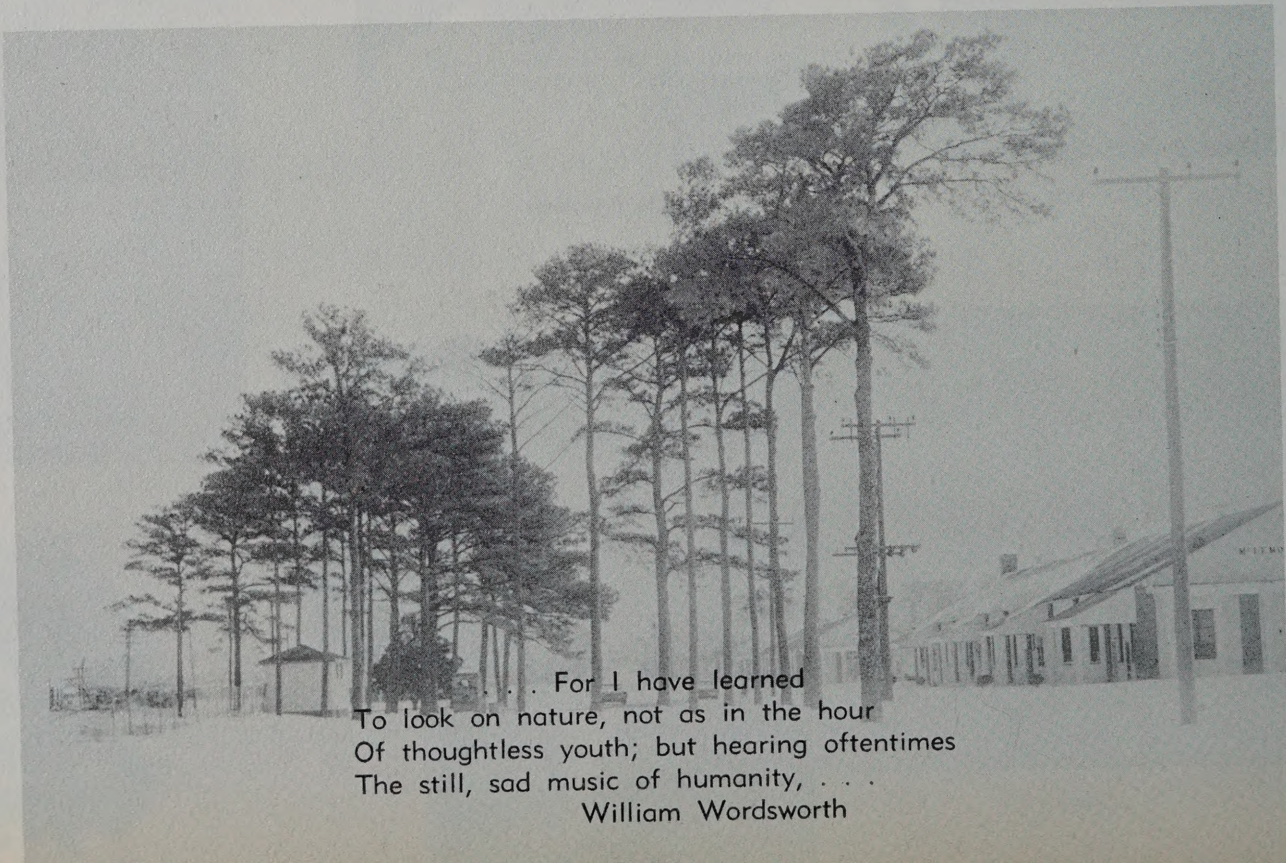
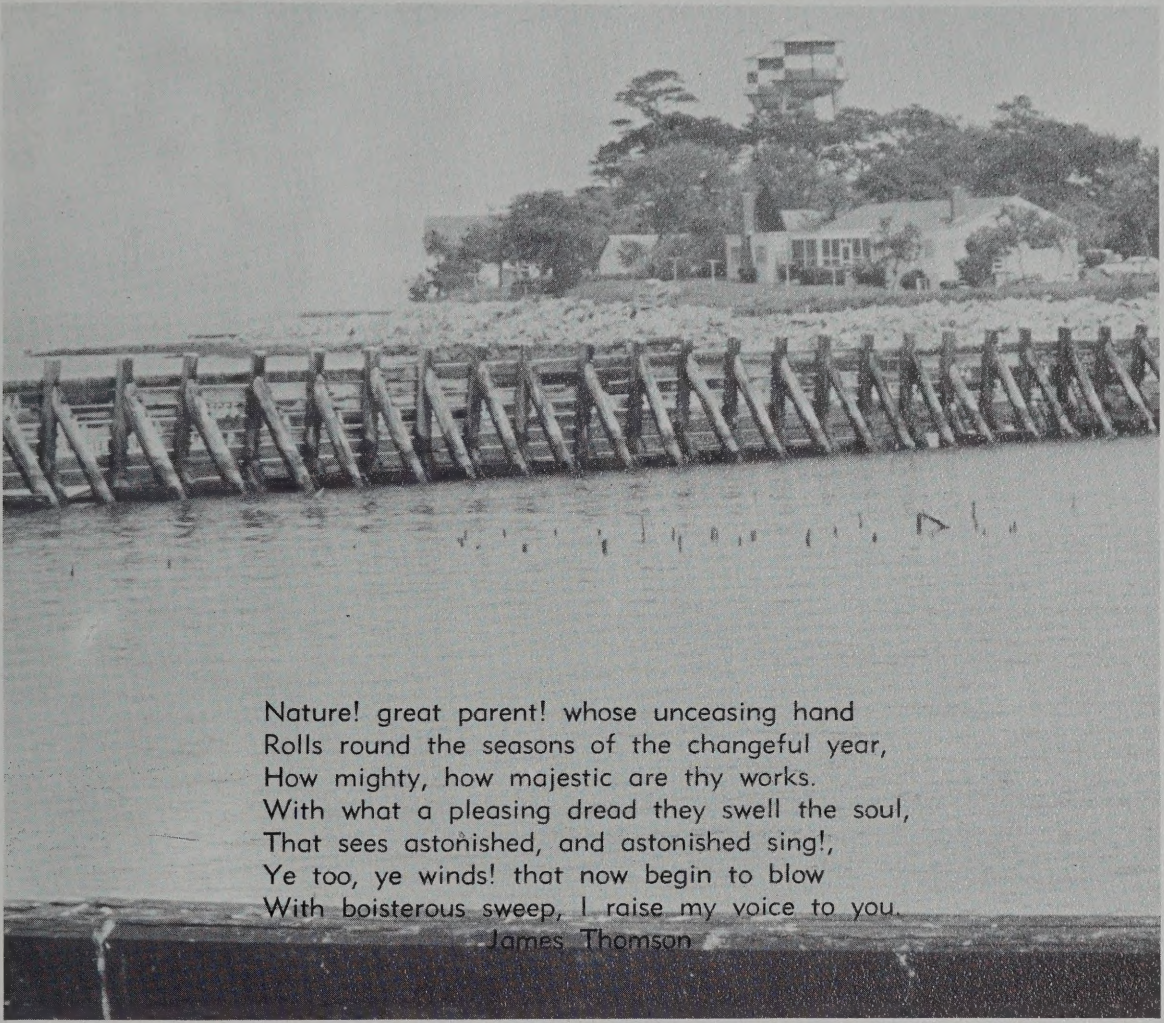
The Seasons



. . . For I have learned
To look on nature, not as in the hour
Of thoughtless youth; but hearing oftentimes
The still, sad music of humanity, . . .
William Wordsworth

at Frederick



Nature! great parent! whose unceasing hand
Rolls round the seasons of the changeful year,
How mighty, how majestic are thy works.
With what a pleasing dread they swell the soul,
That sees astonished, and astonished sing!,
Ye too, ye winds! that now begin to blow
With boisterous sweep, I raise my voice to you.
James Thomson

Organizations

Student Government

Greene and Cal pose after election results.

The Student Government Association provides each student with an equal voice in student affairs. When a student registers, he or she automatically becomes a member of the S.G.A. This membership in the academic community entitles one to all the privileges of a bona fide student. Also, it thrusts upon the new member the responsibility of observing the traditions, customs, and regulations of Frederick College.

This year the S.G.A. booked The Bitter End Singers for the Homecoming Concert and held many dances. The S.G.A. has also brought the Friday movies to campus. The highlites of the S.G.A.'s activities were the annual Christmas Dance and the Spring Semi-Formal.

Association

First Row: Tom Caltagirone, Vice-President; Greene McCollum, President; Dolores Wilson, Secretary; Ed Mitchell, Treasurer; Phil Bartles, Chief Justice of Traffic Court

Mr. Ellis Tucker, Sponsor

Greene officiating at the Homecoming ceremonies

As a part of the Student Government Association the Traffic Court is empowered to try cases dealing with student traffic violations. This gives a student the benefit of being tried in a lawful manner by his peers thus providing an excellent opportunity for both the student judges and student defendants to practice good citizenship.

S.G.A.

A student government representative, who is elected by a particular class or organization, is given the responsibility of working both for the group of students who elected him and for the betterment of all aspects of college life.

The Academy of Science and Mathematics

Seated: Prof. Rola, Pat Scanlon, Gil Garrett, Steve Quinn Standing: Horace Higgins, Frank Sauser, Fred Porter

The Academy of Science and Mathematics was founded for the purpose of promoting the interest in the natural sciences and mathematics, and introducing to the students the progress of technology in our modern age. This year the Academy has attempted to do just this by presenting short lectures at each meeting by various members of the Academy. Guests have lectured on such topics as cancer and tuberculosis.

As you know science consists of four elements, an atom, a molecule, life, and the Universe. Examples were given of each this year.

Alpha Phi Omega

Alpha Phi Omega is the only national and only service fraternity at Frederick College. This year APO has contributed greatly to Frederick. Before the beginning of the fall semester the brothers painted the lines in the parking lot in front of the Student Center. To promote school spirit for the Homecoming game, a car bash was held in which everyone could crush a Tiger. In December, APO tied for first place in having the highest percentage of donors for the Bloodmobile. On December 9, Bill Jones, Jimmy Shafer, and Syd Carroll were initiated as new brothers. Also this year, APO has run the concession stand at the Friday night movie and given two dances.

John Ford tests his strength at the Car Bash.

Fifth Annual Religious Emphasis Week

Feburary 26-March 3, 1967

Dr. Earnest J. Lewis was the leader for Frederick's fifth annual Religious Emphasis Week. Centering his work around the theme: "Life's Crucial Questions", he spoke Sunday evening, Feb. 26 on, "What God Asked Adam", and on Wednesday, March 1, on "What Is God Really Like". During the week he had seminars each day with the following topics of discussion: "Tripping Up the Star Way", "Wisdom Is For Children", "Rebel With A Cause", "Spiritual Drop-Outs", and "Fit To Be Tied".

Dr. Lewis is a graduate of Wheaton College and Princeton seminary. He has spoken at Religious Emphasis Week programs at Oklahoma University, Oklahoma State University, Northeastern University, Sterling College, Pikeville College, Miami University and numerous other universities. He has held many important offices in the Presbyterian church and is now a member of the Special Committee of Thirty of the General Assembly.

Richard Flythe, Mr. Lambda Tau, makes himself at home.

Lambda Tau helps Mr. Stauffer celebrate his "21st" birthday.

Wonder why everyone's so happy

Lambda Tau Omega Sorority has always played an active part on the Frederick Campus. Having sponsored dances, car washes, shoe shines, and the annual talent show, they are presently reigning as the champions of last year's Greek Week. Among the outstanding functions of the present year are the co-sponsoring of a Halloween dance with the Imps Fraternity and a picnic with Sigma Phi Alpha Fraternity. An initiative sorority, Lambda Tau Omega highlighted the year with selecting the first Sorority Sweetheart, Richard Flythe, as Mr. Lambda Tau Omega. Throughout the year, the rush parties and pledge season were eagerly greeted.

Carolyn and Pat offer Mr. Bailey a fe
pointers.

Lambda Tau consists of all types.

What a group!

We Tried Harder

Backed by tremendous school spirit, the LIONS suffered through a disappointing season. But the season was not without a small measure of success. Facing overwhelming competition in what was Frederick's toughest schedule of its short gridiron history, the spirited Lions got into the victory twice. With outstanding team effort the Lions brought home a thrilling homecoming victory over Virginia small college power, Hampden-Sydney. And in the final game of the season, the Lions went out a winner by thoroughly handcuffing high touted Elon College.

The Lions were sorely inexperienced during this season, but next year sees a bevy of returning veterans and promises to be Frederick's greatest season.

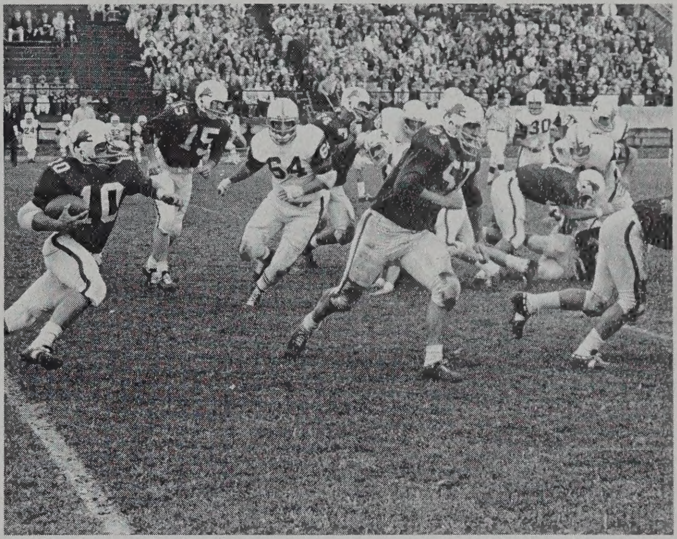
. . . Then lightning strikes.



It's enough to make you want to become a half back.

Some guys get all the glory.

Coach Frank Madigan closed out his coachin career with a victory against Elon. We can not thin of a more fitting tribute to a man who has given s unselfishly of himself for the betterment of Frederic College.

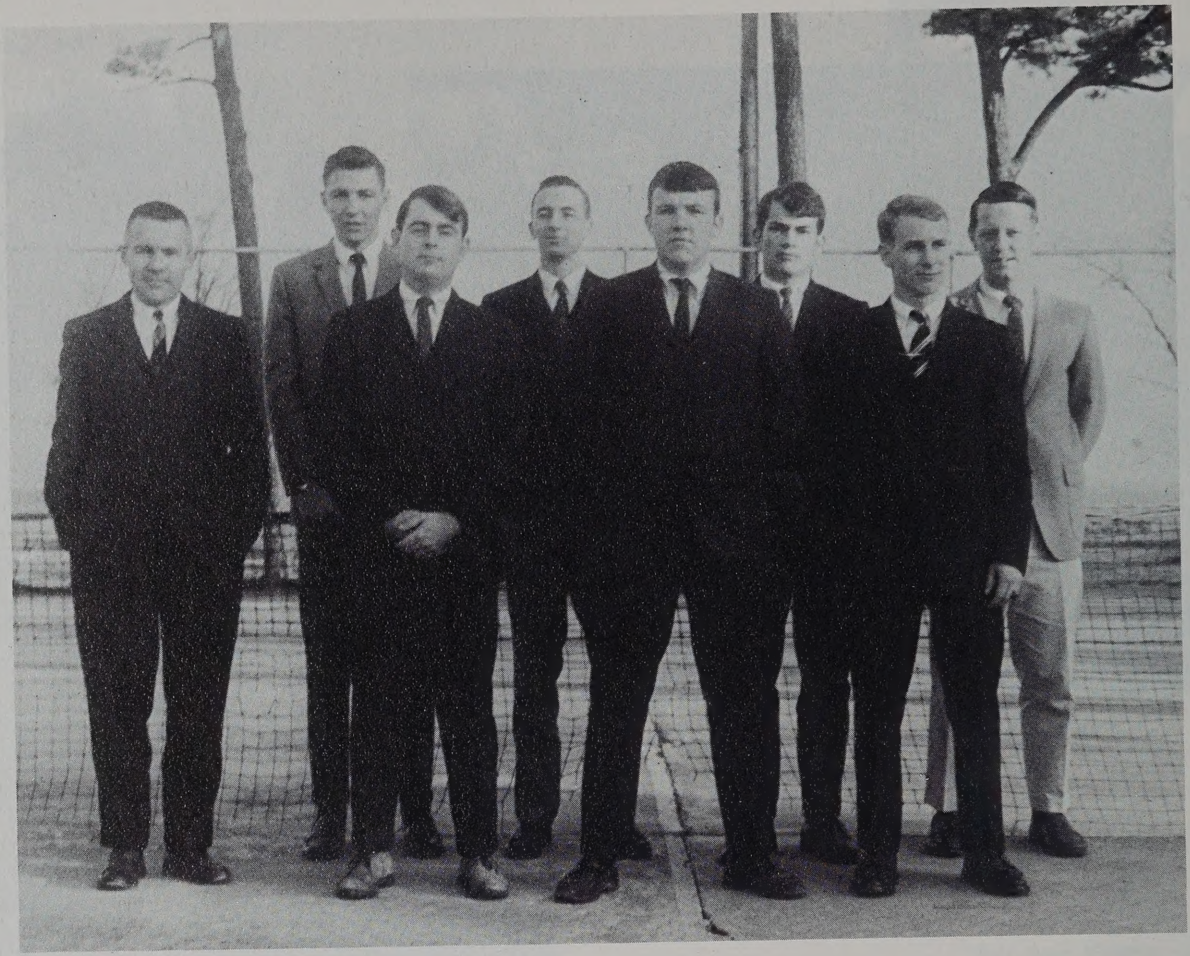
As a coach, Frank Madigan has molded mer and as a man, Frank Madigan has endeared himsel in the hearts of all that know him.

"What do we do now, Coach?"

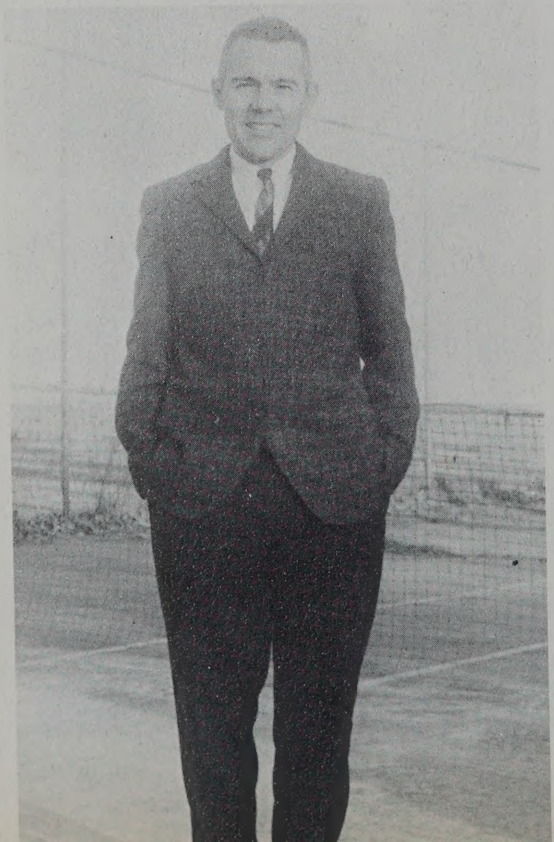
Now for the news, weather and sports . . .

'Hey, Logan — where's your tie?"

Tennis

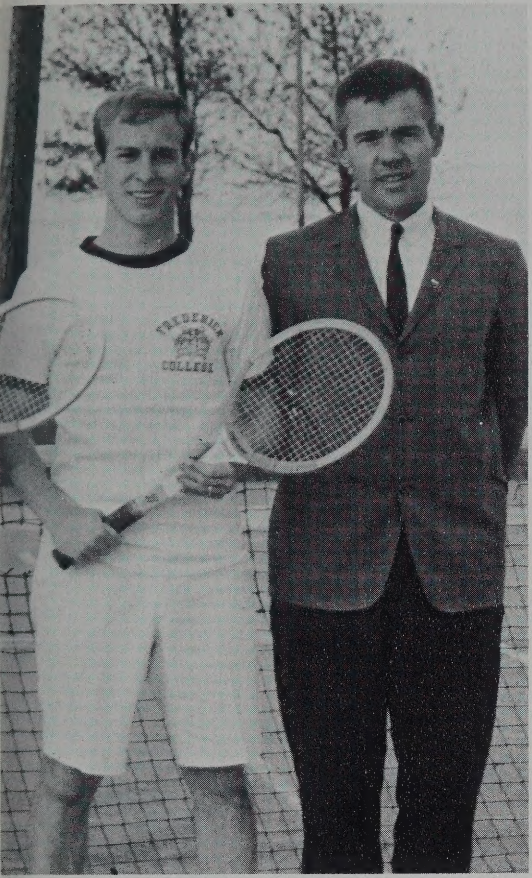


1967 Team



Mr. Fred Patterson,
Tennis Coach

Team



Mr. Patterson and Phil Bartles, an outstanding player of 1966.

The 1966 Tennis Team

The 1966 Frederick College Tennis Team completed its second season with several records broken. Aside from several practice matches, the team marked its first intercollegiate victory, thus ending its losing streak and setting a record for the number of wins in one season. The final record was one win and four losses. Outstanding players for the season were Mike Cogdell, Chris Rola, Phil Bartles, Kirk Wood ,and Jim Ellis in that order at the season's end. The doubles ranking had Cogdell-Bartles at the number one position and Cottingham-Rola at the number two position in the final match. Letters were received by Cogdell, Cottingham, and Bartles. One match was played on our indoor courts, a nine to zero loss against William and Mary.

1966 Record

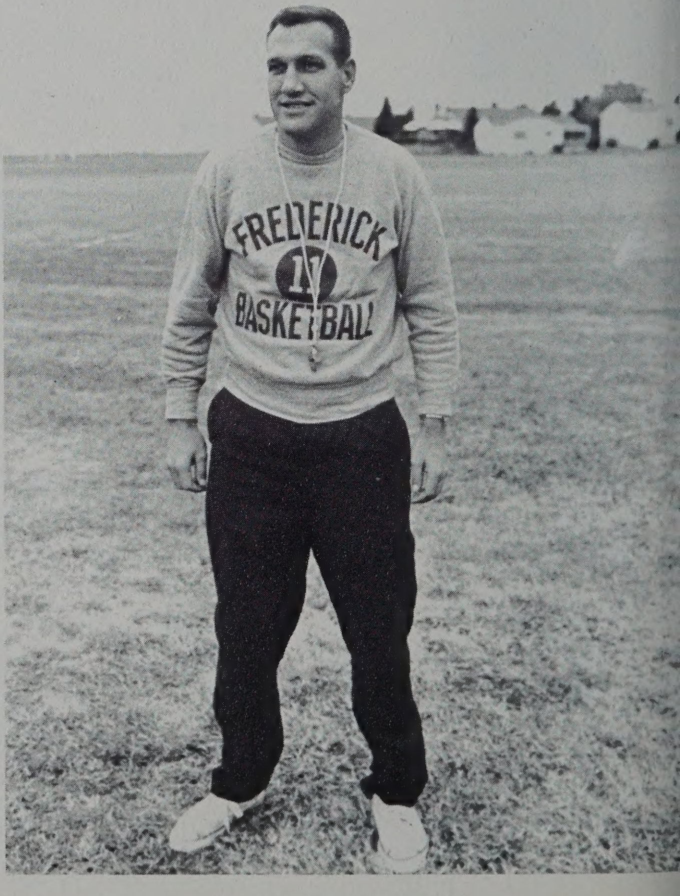
The 1966-67 Lions gave us a good season this year. They worked and played very hard so that they might attain a winning season.

Coach Hodges has said that he "could not give the team enough praise. They deserve all the credit that they can get". The team scored a total of 2144 points with an average of 82.5 points per game. This gave the team a winning average of 62.5 per cent; meaning that the Lions had a winning season this year.

The Basketball Team did much better on its home court than away. Coach Hodges strongly suggests that this was due to the tremendous support of the students.



Coach Bob Hodges

Classes

Maturity and a feeling of unity have brought the Junior Class together this year. They have experienced the joy of working for long hours, night and day, to win first place during Homecoming for decorations. Frederick College has really felt the effect of the Juniors this year for they have established themselves as leaders and workers in various organizations on campus.

Sophomore Class

The Sophomore class returned to campus with more confidence than in 1965. After a year of campus life, they were prepared to enjoy another year at Frederick. As most Sophomores, they show the air of bliss and contentment. Through the leadership of faculty and administrators, they will advance from this state to a state of true confidence and of knowledge.
